

## General Particulars

|                                |   |                      |
|--------------------------------|---|----------------------|
| Year Built                     | : | 2024                 |
| Designer                       | : | Global Marine Design |
| Builder                        | : | Shoreline Marine     |
| Survey Class                   | : | AMSA 2C – 12+2       |
| Unique Vessel Identifier (UVI) | : | 462795               |
| Home Port                      | : | Darwin NT            |
| Design                         | : | Mono Hull Jet Boat   |
| Hull Type                      | : | Aluminum             |

## Dimensions

|                |   |                   |
|----------------|---|-------------------|
| Length Overall | : | 11.25 metres      |
| Draft          | : | 0.40 metres       |
| Beam           | : | 3.85 metres       |
| Deck Area      | : | 5.5 x 3.45 metres |

## Tank Capacity / Desalination

|             |   |             |
|-------------|---|-------------|
| Fuel        | : | 1400 litres |
| Fresh Water | : | 200 litres  |
| Grey Water  | : | 120 litres  |

## Maneuvering & Propulsion System

|                   |   |                           |
|-------------------|---|---------------------------|
| Steering Stations | : | 3                         |
| Main Engine       | : | Yanmar 6HYM-711HP x 1     |
| Drive System      | : | Kamewa 36A3 Water Jet x 1 |

## Electrical Power Generation

|                |   |                      |
|----------------|---|----------------------|
| Main Generator | : | 7 KVA / 240 Volt x 1 |
|----------------|---|----------------------|

## Performance

|                  |   |                 |
|------------------|---|-----------------|
| Maximum Speed    | : | 32 knots        |
| Economical Speed | : | 22 Knots        |
| Fuel Consumption | : | 40 L @ 20 Kts   |
| Range            | : | 700 nm @ 20 Kts |

## Deck & Lifting Equipment

|             |   |                      |
|-------------|---|----------------------|
| Survey Pole | : | Overside Survey Pole |
| Winch       | : | Capstan / Pot Winch  |
| Davit       | : | Hydraulic Davit      |

## Radio and Navigation Equipment

|                |   |                |
|----------------|---|----------------|
| GPS            | : | Garmin         |
| Auto Pilot     | : | Furuno TMQ AP4 |
| Echo Sounder   | : | Garmin         |
| Chart Plotter  | : | Garmin         |
| Radar          | : | Garmin         |
| Radios         | : | ICOM VHF       |
| Compass        | : | Magnetic       |
| Communications | : | Starlink       |

## Accommodation / Amenities

|                 |   |                      |
|-----------------|---|----------------------|
| Cabins          | : | 2 x Single Bunks     |
| Galley          | : | Full Galley Facility |
| Air Conditioned | : | Within Accommodation |
| Toilet          | : | 1                    |
| Shower          | : | 1                    |
