EQUIPMENT HIRE · DARWIN NT

Kalmar RT240 Rough Terrain Reach Stacker

Ex-military container handler · short- and long-term hire

Ex-military. Built for beaches, unpaved and rough ground.

24,040 kg	3 high	298 kW	1.52 m	< 3 m
ROW 1 LIFT CAPACITY	CONTAINER STACKING	CUMMINS QSM11	FORDING DEPTH	FOLDED TRANSPORT HEIGHT

Most reach stackers need a sealed yard. This one was designed for places that don't have one. Originally built for military service, our Kalmar RT240 handles full-size 20 ft and 40 ft ISO containers on beaches, unsealed tracks and rough, uneven ground — wherever your cargo needs to land.

Based in Darwin and operated by Depth Logistics, it is available for short- or long-term hire. With a folding boom and a sub-3 m transport height, it can be moved by road, rail, sea or air to reach your site.

- The only Kalmar RT240 in civilian operation in Australia
- There is not a more versatile reach stacker you can get
- Superior capabilities to a 25 t Franna mobile crane
